Marital Status: Single

Sultangazi, 50. Yıl Mahallesi, E Caddesi, 2227 Sokak, No:5
İstanbul/Türkiye

➤ About Me:

Avid **CTF** player to keep up with hands-on exploitation. Like performing **Penetration Tests and Web Application Security Researchers**. I am interested in all flavors of **ethical hacking and exploitation**. Enjoy my time working with networks and computer systems always to stay refreshed with the basics. I am organized, diligent and responsible. I will learn forever.

➤ My Projects:

This is my website, this site has CTF solutions like TryHackMe, HackTheBox, and more:
<https://mr0wido.github.io/>

And a few tools I've developed:

- <https://github.com/Mr0Wido/FrSec-Hunting-Toolkit>

➤ Work Experience:

I don't have work experience.

➤ Education:

- | | |
|----------------------------|---|
| • 09.2022 - Still Going on | Akdeniz University - Economics |
| • 09.2022 - Still Going on | Anadolu University – Information System Management |

➤ More About Me:

- Turkish: Native Language
- English: Intermediate Level
- I have advanced knowledge of HTML5 and CSS3. I have intermediate Python and basic JavaScript knowledge.
- I am interested in everything computer related. Every subject interest me and I want to learn all of them. Other than that, I love video games, I like to watch movies, Tv series, and often basketball. I occasionally read books.
